Free People Wholesale - PO Number Update

Please be advised, **Free People Wholesale** POs raised as of **March 3rd**, will no longer include the 5000 prefix. POs raised on *or* after March 3rd will **only** include the three leading zeros (example: 0001234567).

Please be mindful of this change when searching for POs in Tradestone or on Finline/Checkpoint.

Please contact your buyer or production partner with any questions.
